Youth Initiative Loan Program

Interested in starting your own business this summer?

The Youth Initiative Loan Program is a great opportunity for ambitious young people who want to start and run their own summer business. The program provides firsthand business coaching from the Saugeen Economic Development Corporation. If your application is accepted, you will be eligible for a loan of up to \$3,000.

Where do I start?

- Visit or call the SEDC office and ask for a business planning guide. (You can download a student business plan guide from our website <https://sbdc.ca/content/page-content/yilf-business-plan-updated.pdf>)
- It is strongly advised that you sign up for a day-long workshop on “How do I start my own business?”

Am I eligible?

You are eligible for the Youth Initiative Loan Program if you are:

- 15 - 25 years of age as of March 31 this year
(Note: applicants under 18 must have a parent or guardian sign the application)
- Proposing a new business (if you are unsure contact SEDC)
- A resident of Ontario and a Canadian citizen or permanent resident
- Not operating an existing or previously existing business venture

What Type of Business can I start?

Your business is eligible as long as it:

- Is sole proprietorship or partnership
- Is an independent business venture
- Fits the Canada Revenue Agency definition of a being self-employed
- Operates at arm’s length from any family business ventures
- Operates in Ontario
- Operates full-time as defined in the business plan
- Maintains its own books and records
- Maintains a separate business bank account

Businesses not eligible include:

- Franchises
- Distributorships
- Incorporated businesses that are controlled directly or indirectly by a person who would not be eligible
- Commissioned sales
- 1-900 business

How do I apply for the Youth Initiative Loan Program?

1. Fill out the Youth Initiative Loan Fund application online at www.sbdc.ca/loans
2. Submit your application, together with your business plan. (You can download a student business plan guide from our website <https://sbdc.ca/content/page-content/yilf-business-plan-updated.pdf>)

How does the Youth Initiative Loan Program work?

Your application will be reviewed and evaluated by the SEDC. If your business plan is sound and meets the program's criteria and you will be notified of approval and will be required to:

- Sign a loan agreement with the SEDC outlining each party's rights and responsibilities
- Agree to implement the business substantially in accordance with the business plan and cash flow included with your application
- Show your business name registration and any required licensing documents
- Open and operate a separate business bank account for the business
- Operate your business on a full-time basis, a minimum average of 35 hours a week
- Meet with our training co-ordinator/GM on a regular basis to review and track your progress
- Agree to one site visit by the training co-ordinator
- Maintain appropriate business records of income and expenditures including receipts
- Participate in business training provided by the training co-ordinator
- Complete the anonymous participant survey at the end of program cycle

Important Notes

- Applicants will be allowed to stack the Youth Initiative Loan Program with the "Summer Company" Program offered by the Government of Ontario
- Loan Agreement will require a guarantor if applicant is younger than 18 years of age

ESTIMATED START-UP COSTS

The following is a suggested list of start-up costs that small businesses usually incur during the start-up phase. Use the list to identify all the costs that you expect to be required in the start-up of your business. These costs include both items you own and those that you need to purchase. FMV is the current value if you went out today to purchase the exact same asset (age, wear & condition).

What I need to start up my business	Cost (FMV)	-	Have (amount owed)	=	Need to Buy
Equipment - Office, computer, printer	-				0
Equipment - Operating	-				0
Furniture/Fixtures					0
Office Furniture					0
Starting Inventory					0
